MM

Yes I totally can

Marlen

Hi Orlando, thank you. Seems you are active under
restricted work due to bacground check compliance.
We only have corp level properties with open jobs.
We will advise if any non corp sites like caterers or
restaurants become available.

MM

God fucking damnit are you kidding

Marlen

Hello, we as for mutual professional communication
and cannot condone this type of language. And the
update remains accurate.

MM

Calling bologna is this for the dude I assaulted
