Yes read the email very  
thorough. You have to log in to  
input your direct deposit so if  
you look at the email it's an  
example of how the email would  
look once the job offer is  
accepted.

That's too far

It's 60b miles from my place

So far I haven't got anything that  
is close to where I live. I wish to  
move on and look for other  
offices. I wish to no longer get  
emails n the service Mary thanks
