I wanna be paid in full

Thanks for wasting my time

I sent my hours

When I'm I getting paid

After this I wanna be removed from your company but the service company is by far the worst company I've ever worked for you guys were nothing but stress I may cost me issues and were no help. Thank you for wasting my time. Thank you for wasting my hours and thank you for wasting my life for the small, stressful time that I had with you. Cause a lot of arguments with family and my significant other so thank you for that

You'll be hearing from the labor department about this

If I'm just waiting. I quit on the spot. I just want my money

Marlen

Hi Cristina, it is unfortunate that you feel this way. TSC accepts your resignation and will connect with HR about your request to expedite payment. Please allow us time to get back to you as our regular pay period is Fridays for the previous Monday to Sunday worked. Thank you

MM
