Subject: E68867 Daniel Jaramillo - Cancellation Of Assignment At Stripe

Hello Daniel,

Per our conversation, the client has advised me to cancel your assignment at Stripe. The feedback they provided was that they did not think it was a good fit. Per the payroll cycle, all the hours that you worked this week as well as any PTO hours that have accrued, will be paid out next Friday 9/29. You will remain active in our system, and I will reach out to my colleagues to see if there are any other opportunities to offer you.

Please coordinate with me when you would like to pick up your knives and any other items you have left at Stripe.

If you have any questions, please feel free to contact me.
