Stephen Dyba DRA is coming in now

Daniel Romero Kitchen Hand is running about 20 min late

One kitchen hand is on about

One kitchen hand is a no show.
Working on replacing him now.

Got a replacement for the kitchen
hand no show. He's on his way.

Re: ramarri, she's just not "active"
at the job, just hangs back until
told to continue doing the work,
plus with her fancy nails she kept
asking other people to help with
tasks, even opening a can of soda
for her haha. She's fine for FOH
though. Same with Ayanna, she
could actually do fine in FOH, just

not the vibe my chefs want for the kitchen, plus her ankle is hurt so she's not mobile enough.

Thank you so much! I will pass this on to the team. We are working on the replacements now.
