He's scheduled for tomorrow. Do we need to cancel him asap or is he good for one more shift?

Saturday 8:04 PM

Good for one more i guess. He's just not good enough, not even as prep.

Update: place Daniel on PM dish Main kitchen starting tomorrow, and get Christian in for AM. Remove Donna effective immediately, my chefs said she was noticeably stoned during her shift, made and just left early because her "ride was here"

If its not possible to get Christian
