Hello Chuy,

Per our conversation today you have been marked as a No Call No Show for the following reasons - you did not show up to your scheduled shift time of 7am and did not reach out to a manager to let us know you would be running late, you were called at 9:40am to see what was going on and you had overslept your alarm. Although you did end up coming into work, per the policy surrounding No Call No Shows it will still count on your record.

Thank you,

**Jaime Barnhart**
