It's not letting log in

Today 9:26 AM

I never got that memo someone was post to update me and I don't have no ride because I've never heard back from no one

You were sent multiple reminders

Are you coming for the rest of your scheduled shifts this week?

Ok what time so I can make plans know

Today 10:32 AM

You are scheduled for 12pm all week Wed - Sun Please let me

week Wed - Sun. Please let me know now if you cannot make it. I will need to find someone to replace you if you can't. We really are counting on all employees to show up and we would rather know if you can't come.

Yes I can make it and thank you

Thank you
