Hello Kimberly,

Unfortunately, due to the contingency offer and updated needs from our client we are not hiring at this time and are pausing our recruitment. I am forced to rescind this contingency offer for the front of house attendant position at The Service Companies. This letter serves as a formal communication to let you know that your contingency offer is no longer available with our company at this time.

Once we reopen our positions we will reach out and see if you're still interested. I wish you only the best in your future endeavors.

Best Regards,

Mary Faleafine
