Hello Lenette Killick,

I wanted to follow up with an email per our conversation over the phone. You stated you are no longer interested in the front of house attendant position at the Windcreek Casino located in Wetumpka, AL. You stated the times for the position conflicts with your schedule. We will go ahead and remove you immediately from the orientation that was scheduled for Monday - May 6th. I wish you only the best in your future endeavors.

Best Regards,

Mary Faleafine
