Hi Blanca! This is Rose from The Service Companies. The Hyatt reposted you as a no show today. Your shift started at 10am. Are you on your way? Is everything okay?

I'm scheduled for work tomorrow  
May 5 at 8 am.

Yes, but you were also scheduled for today at 10am.

I didn't confirm for today or Monday because My car still needs work on my brakes and today is the only day to get it
