NOW IS MY CHECK ONLY \$0/5: At \$24 an hour and 5 days of an 8 hour shift?

For the first 2 days I was paid for last week I received 384. If I only worked 4 days it would be \$ 772. I haven't been late nor missed a day. I'm behind on bills and should have received a full 40 hour check.

I'll double check to see what's going on. But I'm assuming because Memorial Day holidays

Hello Jalil,
After this time we spent working together we came to the realization that we aren't a good fit for each other. I believe Chef Rob is looking for more experienced individual around the kitchen. We enjoyed having you and we wish you nothing but the best moving forward. Thank you for everything.

Damn

I left me shoes there
