Well then why did you even reach out to me about this particular position? I actually have dishwasher experience while doing instawork/qwick, but cool if you say so that I'm not qualified. To be very honest with you, can you guys just please cancel my employment with the company? It's been way to long of a wait on any shifts that I AM QUALIFIED for, and this is wasting my time. I'd rather just not have employment with the service company anymore, thank you!

Good morning Jaime, thanks for reaching out about about a job post. I am available to start work beginning Wednesday if that works for you? I happen to have something I need to attend tomorrow morning at 10am, which is the only reason I cant begin working there tomorrow...but I'd really love to begin working.
