Hi TSC!

We are excited to see you for today's event at AFT!

Staff entrance is on the 5th St side on 5th and Adams.

Adam Guerra will be there to check you in. Please be sure to connect with him before you start your shift.

Thank you and have a wonderful shift!

RB

I'm sorry I won't be there I got called in to my full time job

This is disappointing as we were counting on you to be here. Did you call the Emergency Line per your confirmation email and tell them you weren't coming or are you just telling us 17 minutes before your shift is supposed to start?
