Add

Mario Ordóñez

I'm still at my other job

Today was your first day correct?

In the kitchen

Yes

I'll be stuck in traffic going back  
from Los Angeles

Are you going to be late or you  
won't make it to your first shift?

I won't make it

Sorry

I will advise the kitchen. Please  
don't report tomorrow, until we  
give you a confirmation.
