Hey I finished work the same time as
Dillon at 3:06

Today 2:55 PM

Hi Lauren,

After careful consideration we have
decided to cancel your assignment at
Stripe Seattle due to the repetitive
coaching regarding the same topics
we have yet to see progress. Thank
you for everything. We wish you
nothing but the best!

PS: I'll double check on your PTO
hours if you have any I'll have them
paid out with your last check. Thanks
again.

Wait so does this mean I've been fired
then?

Technically no longer at Stripe. Still
employed with TSC but I do not have
any other locations with available
positions at the moment.
