

Tue 2:54 PM

Hi Sarah,

I was told that you quit, can you confirm this? And please provide more information?

S

i have a really bad migraine. can i have a minute?

Sarah Bristoll • 12:57 PM

Yes, but I do need to speak with you to get a better idea of what's happening.

Hi Sarah,

Based on the situation that has happened and the witness statements I have been provided regarding you walking off job and giving the front desk your badge while stating that you quit, I will have to take that as a resignation from the assignment here at Stripe. Can you confirm if you want to remain active with The Service Companies or if you are resigning from the company as a whole?

J
