Hello Will,

Per our conversation, we have concluded the investigation, and we were unable to corroborate your claims of any sexual harassment or assault. After careful review of witness statements we did receive confirmation of homophobic slurs, and a threat made to the client location. Due to this we have had to part ways and terminate your employment with The Service Companies.

If you have any questions please let me know, we do encourage you to apply for unemployment benefits if needed and they can determine your eligibility at that point and time.

Thank you,

JAIME BARNHART | Operations Manager - Hospitality Division

Hello Will,

Per our phone conversation today, you are currently under review due to inappropriate language used and threats that you made towards the workplace, which were overheard by other employees. We will get back to you once we have further information for you.

Best,
