Hi Jaime is it ok if I leave early I have to pick up my little brother my sister asked everyone and they all busy and my mother is at work

Cardell 'Cordell' Williams • 1:05 PM

Hi Cordell,

I understand the urgency, but as of right now I would most likely advise against it just because you have just started this job and it can count against you during your 90 day probationary period.

My little brother won't have a way home if I don't go get him

Cardell 'Cordell' Williams • 1:12 PM

Ok, I'll let Carl know that you need to leave.

J

1:13 PM

What time do you need to leave
