Hugo,
After a careful consideration we've
decided to cancel your assignment at
Stripe. We have coached you before
yet to see a positive progress. I would
offer you a different position
unfortunately I don't have any
Available as of now.
Thank you for everything

If you have anything in the lockers
please let me know I'll have them
ready for pick up Wednesday morning
once I'm on site.

Delivered

Sounds good thank you
