Hello Sam,

After careful consideration we decided
not to continue moving forward. Due
to your attendance within the 30 days
probationary period. That being said
your assignment at Stripe is cancelled
per the client request. You are still
employed with TSC. Unfortunately at
the time being I do not have any other
positions available to offer.

Thank you for everything and we truly
appreciate you working with us.
Wishing you nothing but success
moving forward.
