Hi Marlen , this is Imani Banks. I arrived to the stadium at 6:45am and I was told at check in at 7:10am that we needed to leave and get a new shirt but I would not be guaranteed to work my shift if I left and came back after getting a new shirt. Several employees left due to being told we may not be able to work after coming back. I do not have transportation back because I was dropped off so I cannot work today.
