P

Hey Jaimee I will not be able to come in today again because of my stomach issues really in an awful amount of pain I'll be in tomorrow though no matter what

Payton Seidner • 6:14 AM

Hi Payton,

My apologies for the delayed response, and sorry to hear you weren't feeling well. For future reference please provide at least 2 hours ahead of time notice for call outs, but in general please keep in mind that you are within your 90-day probationary period which means that your attendance is important and can cause your assignment at Stripe to be cancelled.
