Can I call off that shift ?

Michelle

Hi Joevon, it is too late to call off this shift. Why are you needing to call off?

I got sick on Saturday but I will still be able to do my shift on the 24th

Michelle

Its important to follow our 24 hour notice requirement of call out, especially if you have known you have been sick since Saturday. Please follow call out procedures. The call out line is at the bottom of all confirmation emails.
