Hi Dillon,

Yes unfortunately we are canceling your assignment here due to your attendance, also for today's no show. Since neither Chef or I were notified that you were taking the day off ahead of time. Thank you for your assistance. If you have PTO balance here I'll pay out with your next check. Also if you left anything behind please let me know I'll have it ready for you to pick up.

Thanks again.

Lmfao y'all are a fucking joke

Seriously

I'll be filing complaints about you guys too

You were notified of me taking off today weeks ago

Good luck holding down any more employees because yall can't

Pretty pathetic that you guys fire
