Good morning need to take today off

Yesterday 1:49 PM

Hi Kiki,  
Hope all is well, unfortunately I'm forced to cancel your assignment at Stripe as of today due to your attendance. Last conversation we had was a final warning for your attendance. You are still employed with TSC but at this time I do not have any other position available to offer.  
Thank you so much for your assistance here. If you do have anything left behind on site please do let me know in order for me to have it ready for pick up. You will be missed here. Also I'll double check on your PTO balance and will pay it out with your last check.  
Thank you again
