### Transcription

"Hello Amber, this is Michael Brennan responding to your freaking emails I'm dealing with a broken leg. I let my direct supervisors know that I was out with a broken leg. I'm going to hospital \*\*\*\* So what So what the \*\*\*\* is wrong with you I did everything I knew I needed to do and now I'm seeing your stupid \*\*\*\* emails you stupid \*\*\*\* stupid. Dissing me off I never worked

stupid Pissing me off I never worked  
the \*\*\*\* day for your \*\*\*\* company  
so I don't see the point of \*\*\*\* being  
terminated from something I never  
\*\*\*\* did you dumb..."

Was this transcription **useful** or **not useful**?
