Hi Mesou, requiring you to follow proper uniform is not illegal considering we have allowed you work while wearing the wrong shirt style. We asked you to provide proof of correct uniform and TSC management never asked you to cancel a shift you already had with your other employer.

You are welcome to email our director of HR at [amber.dillon@theservicecompanies.com](mailto:amber.dillon@theservicecompanies.com) if you'd like a second review of the situation.
