Do you have any hours for this week

Adam

We have a server shift Monday 4pm, do you have serving experience?

AG

Kinda I served a little bit when I worked at Rockwell

Not much

Sun, 4:31 AM

You might as well take me off the schedule totally

Mon, 2:18 PM

So what is going on with me working with the service companies

Yesterday, 7:51 AM

Adam

Hi Brendin, as far as status, we can move forward with final warning for the no show on 29th. That being said there are not a lot of shifts as the school year is winding down. There is a last minute request that came through for today 12p-930p, are you available for that by chance?

AG

No I am not just take take me off

Adam
