Hello Byron Boror,

Thank you for taking my call today.

Per our discussion I spoke to you regarding your E-Verify Status came back that there is a mismatch in their system regarding the documents you provided for the background check.

I informed you what steps and procedures you will need to take if you want to take action or if you did not want to take action we will be forced to terminating your employment with The Service Companies.

Which you responded you will not take action on this matter.

We wish you only the best in the future and endwavors.

**Best Regards,**
