won't need you the rest of the week. They said they would reach out if anything comes up in the next week. Otherwise they will reach out in August when the truck opens back up.

Hi! I hope your day is going well, as well as your summer! I have recently decided to look into new opportunities that I have been given and will no longer be working at UOP. I appreciate the time I've spent over there and everything I've learned, but I am moving forward. Thank you once again for the opportunity.
