Hey this Betty Jo Conard. I just left you a voicemail. I want be able to do the job after all. Because I found out that I'm 8 weeks pregnant and with all the things that I know the job will require for me to do and with the fact that I will be dealing with morning sickness. I just don't want to take the position and job from someone who really could use it and would be able to do the job better. I'm sorry if this puts you in a tough situation. But please understand that I don't appreciate the offer and opportunity. I just feel that I need to put my health first and I hope you can understand.

Hi Betty, understood, we will remove you from Cirque du Soleil.

Thank you.
