EXPERIENCE:

Self-Employed Business Owner

Artist/Illustrator/Designer '09-Present

Highly skilled visual artist/ muralist/illustrator/designer and sole employee performing all aspects of business including: art concept and production; construction skills; administrative work, including scheduling, creating excel databases, client follow-up, sales, producing and managing print and email marketing campaigns.

Food Service Restaurant Industry '91-'99

8+ years experience as a food server in high-end and modestly priced food service businesses.

Duties performed include Food Server, Food Runner, Busser, Prep cook, and Dishwashing. I have worked in a wide variety of establishments with high volume - high end with restaurants that needed food runners to get out food on time, family restaurants where you might turn 35 tables in a shift, and smaller establishments where it might get super busy and you are the only person on the floor.
