To: Whom it may concern

I have an extensive background in beverage and food services for the last 12 years. I understand that customer retention is key to an organization's success and I pride myself on the high-standards of customer service. I enjoy a high-energy atmosphere and meeting new people. I am easy to talk to and know how to put a person at ease, both of which I believe are indispensable character traits. Efficient, friendly, and responsible service, are essential qualities for a good worker and I am happy to tell you that I excel at all three – and more

I am looking to find a team to be a part of, to grow and expand with. I have worked at all levels, from waitress to bartender to manager and am familiar with the complexities of all the positions. This experience allows me to understand and address the challenges that all staff encounters. In addition, my motivational leadership style, allows me to build, guide, and retain high-performance teams, which leads to high employee satisfaction rates.

I would like to be given the opportunity to demonstrate my charm, as well as my professionalism, in person and discuss the opportunities available. I have enclosed my resume with further details on my expertise. I would welcome an opportunity to meet with you and discuss the impact I could bring to your company, given the opportunity, I will not let you down.

I look forward to hearing from you and thank you

Sincerely,

Roxanne Nicole Bathery
