Work Ethic

Whether working at a 5-Star restaurant or the neighborhood pub, by providing an exceptional customer experience, I establish great client support resulting in high sales and return customers.

Qualifications

- Highly motivated individual with strengths in all facets of restaurant operations
- Able to perform well individually and as part of a team
- Ability to see the "big picture," yet realizes that success is in the details
- Excellent communication, organization and time management skills

Hospitality

- Continual study in order to offer appropriate food and wine pairings
- Creative bartender skills
- Provide timely service, per customer's specifications
- Supervise and train staff, including seasonal, full-time and part-time workers

Operations

- Efficient inventory review and ordering
- Scheduling staff for a variety of shifts
- "Turning," stations as appropriate from breakfast to lunch to dinner service
- Overseeing daily open and closing operations
