Sanitization of station and stocking of sauces, silver, and garnishes.

Atlanta Medicine and Cardiology -- 1998 -- 2008. Medical Assistant. References available.

Before I entered into the Medical Field, I had extensive experience in the food industry. I have served in several restaurants along with cooking at Olive Garden and Longhorn Steakhouse. Food is my passion. I am reliable, a hard worker, a team player and friendly. I have open availability and dependable transportation. I am currently in school, working towards my Bachelors degree and my goal is to strive to move up to management.
