8/29/2013

To whom it may concern,

As Owner of Melrose Vintage, I would like to introduce you to Pari Athanasiou. She is a highly energetic young person that performs under pressure and is motivated by an active work environment. Pari worked at Melrose her Jr and Sr year in HS and she had excellent customer service-sales skills and improved sales on the days she worked. I would Hire her in a heartbeat if she where available and on her time off from school still picks up hours.

Pari shines with the "gift of gab" in a manner that makes customers feel welcome and appreciated and motivates staff to strive with her quirky humor and easy demeanor.

I highly recommend Pari for any job that she sets her mind to as she is a very capable young person.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert Ruiz", with a stylized, flowing script.
