**Objective:** To maintain employment/income while attending Diablo valley College and earn an associates degree in culinary arts. At this point in time I am not picky as to which jobs I am seeking, I just need an income. However, if possible I would like to work in the culinary industry. I am a hard worker and believe in being a team player. This is a time in my life when I am finally pursing my passion as a way to earn a living, cooking.
