My goal is to get permanent, part-time work in the food service industry to earn extra income so that my wife and I might further enjoy this City that we love.

**Qualifications:**

- Working knowledge of the computer and smart phone
- Excellent communication skills
- Ready and willing to work for a decent wage
- Positive attitude and punctual
- Have Associate of Arts Degree (Liberal Arts), Patten College in Oakland
- Own car, license, clean DMV and insurance
- Experience as porter/janitor; waiter/food server for ten years in the Merchant Marines in 1980; food server, pot/dish washer and PIA Industries San Francisco 2000
- Parking attendant, valet, Uber driver since 2011

**Food Service:**

- Santa Rosa School Marine Cooks and Stewards Union teaching janitorial, porter, food service, waiter, dish/pot washing skills
- PIA Industries, food service, pot washing
- PIA Industries, clerk and clerical skills, billing, payroll and store orders
- Oracle Convention seating placement, September 2013

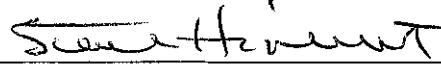

**Janitorial:**

- Mopped, kept clean, swept and performed errands, for approximately 100 guests
- Serviced, cleaned and supplied common restrooms for that desk
- Gathered and emptied trash
- Followed procedures for use of chemical cleaners and power equipment in order to prevent damage to floors and fixtures
- Stripped, sealed, finished and polished the aisles of the largest cruise ship in America

I have also worked as a delivery driver, limo driver, valet and parking attendant. I have had several clerical positions due to my familiarity with, and my enjoyment of computers, processors, copiers and all office machines.

This job sounds like an excellent opportunity for me; so, I will list what I believe is my best qualification at this time: that is my desire to do a good job and earn a fair wage in today's San Francisco.

Thank you for your time and the opportunity to interview for your position.
