Played and mixed various genres of music as requested by the entertainers.

Mar- Aug 2011 East/West Lounge 8513 Santa Monica Blvd. Back up Mixologist, Barback, and Head Event Security.  
Specialty Drink Lounge and Tequila Bar. Unfortunately in a block of huge party Night Clubs this intimate venue  
kinda got lost in the fray.

Oct 10- Feb 11 Gas Lite 2030 Wilshire Blvd. M.O.D., Bartender.  
Karaoke Dive Bar most noted for a Funny or Die skit involving performer Jewel.

08-10 Radical Entertainment Design Los Angeles and Jomtein, Thailand Actor/ Musician  
Pool of talent for rock and roll indie film and music company. We are currently between projects.

99- NihilistGELO Arts Chicago, IL Founding Artist  
Founding Artist: in charge of all operations of small multimedia production. Through this company I bartended  
fundraising events for semi-famous performers, as well as further learned how to lead and direct a large group of  
people, do stunt work for stage and screen, and express myself directly via several different mediums.

06-08 Joe's BeBop Cafe, Chicago, IL Bartender/Lead Server  
A real "churn and burn" high volume BBQ "Joint" on Chicago's famous Navy Pier. A Bon Jovi favorite.....

04-06 O'Hare Int. Airport Chicago, IL Bartender  
I really enjoyed the mixed group of customers I met at the airport bars. Given tips vary greatly around the world.... the  
experience and the stories were amazing. In the end, unfortunately, the hours were just too much, and I chose to  
peruse other avenues. I gained valuable experience with HIGH volumes, set up and take down of the bar, and mixed  
paper work.

00-04 Lithium Chicago, IL Manager / Bartender  
More of a specialty drink and fine dining bar. My drink is "j's Voodoo", and if you can keep a secret.....so can I. Here  
I learned the value of 'regulars'; as well as scheduling, stock, ordering, inventory, and general upkeep. While employed  
at Lithium I:

**\*\*won Barfly Magazine's title of 2nd Best Bartender in Chicago\*\***

**\*\*was a finalist in Jose Cuervo's Cuervo Island Margarita Jam\*\***

Sadly, Lithium closed forever in 2004.

#### SPECIAL SKILLS

Every year I attend the Bardstown, KY Bourbonfest. I also brew my own whisky and beers.  
Night Audit experience from working in Hostels both in the U.S. and abroad.
