## Skills & Objectives:

Years of experience in the hospitality business and my ability to speak 4 languages indeed equip me to represent your company and serve customers with advantages others may not offer.

I speak, read and write in Italian, English, Portuguese and Spanish. I've been in this environment for over 12 years and I'm currently working on developing my own bar consulting company. I've lived in California since 2007 but prior to that I've lived in Italy, England, Spain, Portugal and state of Florida. I've worked in the food/bev/hosp field as well for flair competitions and bartending trainer.

Extensive cashier / POS experience, inventory keeper and proper bar set up trainer.

Fast efficient with ease to successfully deliver excellent service under pressure and fast pace.
