2102 Park Avenue

Santa Clara, CA 95126

I'm a young student with a passion for growth and learning. Right out of high school I jumped into the workforce and rapidly challenged myself to learn new skills. In that time I've proved myself to a thoughtful decision maker, and perform multiple tasks at once. I enjoy a fast pace and working directly with people in English and Spanish.

Experience:

Driver and Mover - AVL Moving Systems Santa Clara, CA - 5/11 until 6/12

As the driver, I relocated over 500 houses throughout California. Regularly carrying boxes with my hands up tall stairs, taking into consideration that I must not cause any damage. In addition to performing at a smart pace, you can be assured that I uphold the highest level of work detail, and ethical standards as a member of your team.

Dishwasher - YAHOO, Surf's Cafe Sunnyvale, CA - 6/12 until 10/12

Member of a 60 person kitchen consisting of: Coffee Brewer, Head Chef, Line Cooks, Prep Cooks, Tray Passers, Servers and Event Staff. I came and immediately made a difference in the area of how clean my station became. If there is any time in between dishes, I am constantly seeking new ways to adapt to the situation, and always keep myself busy.

Coffee Brewer - YAHOO, Surf's Cafe Sunnyvale, CA - 10/12 until 2/13

Primary role was to arrive at 4am and prepare coffee for the day's business. I have a good level of experience with coffee machines, cleaning, maintenance, and gourmet pastries.

Education

West Valley College, Las Gatos, CA — Science Commerce Marketing

Languages & Frameworks

Proficient in English & Spanish language

Programs

Significant experience with Excel and PowerPoint. Extremely familiar with Adobe Creative Suite. Some experience with Auto Cad.
