Experienced restaurant professional in the host, server and cocktail positions

### **Experience**

#### **YESTERDAYS-WESTWOOD, CA**

A very busy and popular restaurant in Westwood, CA in the UCLA Village. Was a mix of fine dining and Bar. I was both server and cocktail waitress. Severed many large parties that several times consisted of Japanese businessman or tourists from all over the world. I developed very large bicep muscles as the plates were iron skillets. Also developed incredible stamina carrying 6-8 skillets on a tray up a spiral staircase to section 8---FYI- if you drew the short straw-you got section 8 for the night... Worked there 2 1/2 years

#### **GINOS EAST OF CHICAGO-BRENTWOOD, CA**

A very busy after work, Happy Hour hang-out with a steady dinner crowd. Was a Cocktail waitress in the bar; then shifted over to Server for lunch or evenings. Worked there for two years. Jim Belushi's favorite restaurant, he was in three times a week for his favorite deep dish.

#### **SUNDANCE MINE COMPANY-PALO ALTO, CA**

Served as Hostess responsible for booking reservations, taking cocktail orders, bringing drinks to tables and seating guests...all while wearing floor length dresses, which proved to be quite difficult as people would inevitably step on my skirt as I was carrying a tray of drinks to the table...developed keen balancing skills and a good sense of humor.. Worked there 9 months then moved to Los Angeles.

#### **CONTINENTAL CATERING-MENLO PARK, CA**

Worked part time as server for private parties, weddings, etc. Arranged food on trays, re stocked, set up, served guests, and cleaned up after. Worked there on and off for 2 1/2 years and saw plenty of Wedding Crashers...

**SKILLS:** Organized and Energetic Person. Knowledge in Wine-especially Dry Creek/Sonoma regions, Basic knowledge of Cocktails and Mixtures. Enjoy fast paced, fun environments, great under pressure, problem solver; and an ultimate professional.

### **Education**

Menlo College, Menlo Park, CA

University of California, Los Angeles, CA
