### **Customer Service/Receptionist/Server**

I desire to work in a friendly and dynamic environment. Whether it's serving food or helping a customer behind a desk, I always provide excellent customer service. I excel in building positive customer relationships.

### **Work History**

**September 2013-Present (On Call)**

**The Party Staff**

**Formal Banquet Server**

My duties include:

- Serving the Guests the hors d'oeuvres, salads, main meals and desserts along with refilling their drinks.
- Setting up the tables with tablecloths, candles, flowers and silverware.
- Setting up the bar area.
- Helping with the cleanup by clearing off all the tables, taking the plates and glasses off the tables with trays.
- Working in a team atmosphere.
- Stocking and Re-stocking all the condiments if needed throughout the banquet.

I worked at Google also with setting up tables for their disposable buffets. I was designated a section of tables and had to make sure that the food was always available for the guests. I was in complete charge of the banquet in my section and making sure the guests were happy.

I have received Certificates for the following: Formal Dining, Leadership, Food Handlers and Basic Server.
