Work Experience:

SAP Bon Appetit, December 2012 - Present

Help the Salad Bar Station with food prep, Get task done for daily food specials. I put the produce away, and for the last two in a half hours I help wash dishes.

John Joseph Albanese Concrete Construction, June 2012 – December 2012

Labor work which consisted of leveling gravel and getting task done to start pouring cement. Once it was done, we needed to get the job done quickly before the cement started to dry.

Chipotle Mexican Grill, August 2011 – April 2012

Started as dishwasher, worked my way up to grill. Once in grill position I was in charge of prepping the food before the door opened. Once the restaurant was open I was in charge of the food quantity needed, and to keep it constantly full.

Volunteer Experience:

La Hacienda

I help out my dad in his restaurant, I was in charge of chips and salsa. Also, helping him finish garnishing the plates. All the simple cook orders I would cook, if my dad was busy.
