## **Objective:**

As a professional in the Hospitality and Restaurant Industry, I would like to provide the highest quality of service to my clients and co-workers.

## **Food Service Experience:**

Ovations, Fanfare,

Sacramento, CA

Server Food and Beverage

Duties include all aspects of working in the food industry:

I have experience in the following areas:

Shift set-up:

Making sure Wait area is stocked and ready for all areas of service, making sure dining room is clean and great presentation order.

Prep in advance of shift, beverage and ice area, making sure glasses are stocked and any back up utensils and napkins, plates, etc. are readily available

Tray service

Set up for Banquet or Large Party

Table set up for Banquet service,

Linen service for tables, chaffing dishes, floral presentations, carving station and desert table

Making sure all areas are stocked and readily available during shift

Table Service:

Individual order for small group or large parties

Food and beverage order

Knowledge of menu items and food being prepared daily

Cashier or Register, credit card payment

Serving and removing dishes

Customer Service:

Working with staff and customers to insure all aspects of their dining experience is met and exceeded.

Providing for their enjoyment and comfort of dinning needs.
