I am seeking employment as a bartender in a growing establishment looking for an opportunity that will utilize my people skills as well as my business sense and good drink-making skills. I have bartended at private functions for the below references and I know I make that special drink that will bring people back for more and they'll bring a friend. Certification obtained from National Bartending School in mixology, liquors, wines, and customer service. Feel free to contact me anytime for any additional questions.
