Professional Work Experience

The Holding Company Bar & Grill: 1994 - Present

- I have been employed at The Holding Company for twenty years with good standing; I have developed a good strong clientele foundation. My daily menu is designed around the produce which is available and by all means only the freshest. I turned the menu from the stale ordinary to using the freshest produce available.

Aqua Restaurant: 1994

- Line Cook with Michael Mina.

Liberty Café: 1993

- Assisted Cathie Ghuntli in opening the restaurant operation

Star's Restaurant: 1992

- Sous Chef with Chef Mark Franz and California Culinary Instructor, Head Master Chef, Jeremiah Tower.

Zuni Café: 1989

- Assistant Pastry Chef with renowned chef from New York City, Judy Rodgers.

Bon Appétit Catering: 1985

- Sous Chef with Head Chef Celebrity, Mario Batali
- I also worked for a short period with Alice Waters, at Chez Painez

A Chef once told me on a very busy day "Make it Happen, Don't Fail Me." Now that's my motto.
