automotive technology

Universal Technical Institute

October 2002 to 2003

ADDITIONAL INFORMATION

Skills

I am a hard working individual that takes direction well. I am ambitious with the desire "to do" something productive with my time, while maintaining a positive attitude and working relationship with my co-workers and supervisors. I am proficient in basic Microsoft office skills. I am respectful and attentive to others request and questions, as well as broad minded in others beliefs or opinions. Consistency and reliability in the workplace are essential to a successful career.
