**SUMMARY**

I have volunteered in events that specifically help ease others to have a pleasant experience during events. From volunteer work to distribute goods and refreshments, to in-house events of preparations to clean-up, all is well when no one is waiting for anything besides the main course. To be a part of the crew who strives to ensure special occasions proceed smoothly really brings forth an atmosphere that is enjoyed by both the employees and the guests.

**EDUCATION**

Graduate at Milpitas High School as class 2010

Current Student at San Jose State University since 2010

Field of Study: Digital Media Art

Grade Point Average: 3.2
